

**North of England Trampoline Technical Committee  
Regional Team Leotards**

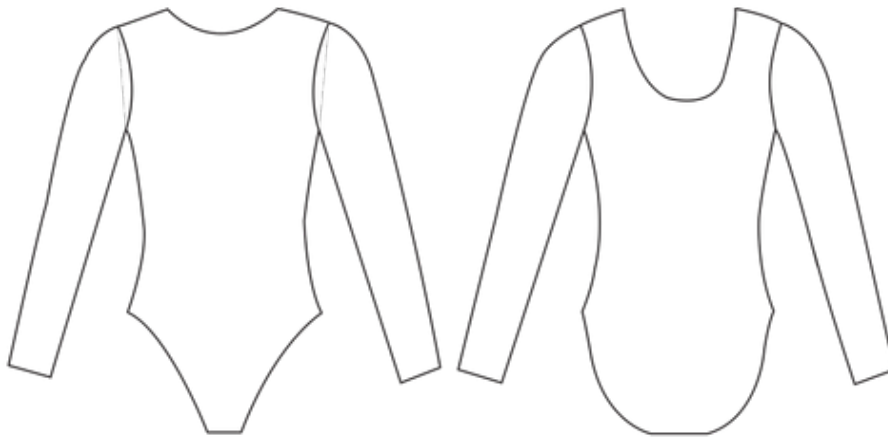

We are moving to a new design for the regional team leotards this year. We are giving performers the opportunity to suggest designs for the leotards with the only constraint being that the male and female leotards must be of similar design so that it is clear they are from the same team.

Please make any colour suggestions clear. You can choose whether the female leotards should be long or short sleeved. Also bear in mind that we must consider the cost of the leotards when determining which design to use.

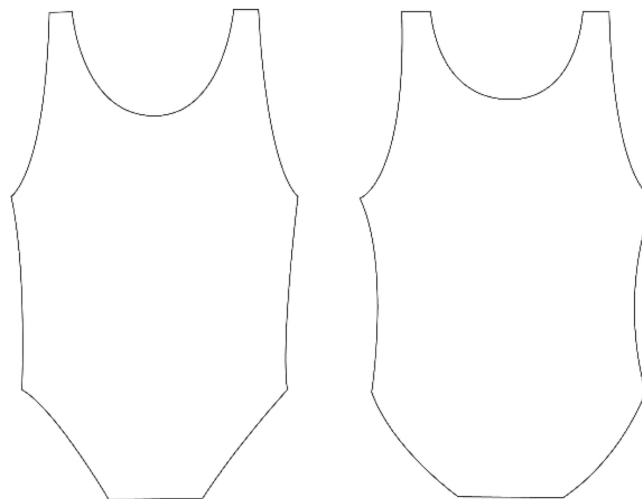

Please return forms to the check in desk or email them to [competitions@nettc.org.uk](mailto:competitions@nettc.org.uk) no later than Sunday 4<sup>th</sup> March 2018.

Kind regards
