

North of England Trampoline & DMT NDP Regional Team Finals - Squad Info 2019

We would like to take the opportunity to congratulate you on your qualification to the Regional Team Finals 2019 as part of the North of England Team Finals Squad.

As part of your qualification you are invited to attend 2 squad sessions (details outline below). The expectation is for all qualifiers to attend these squad sessions, but if for any reason you are unable to attend either of these sessions please inform us at the earliest possible opportunity by email – squad@nettc.org.uk. These sessions will give you the opportunity to work with the squad coaches who will be attending the Regional Team Finals, meet the other gymnasts and work on your NDP routines.

Squad coaches, chaperones and team managers will be acting as loco parentis whilst at squad sessions and on the competition floor in Birmingham. Parents/guardians will be responsible for competitors at all other times.

For anyone who has not already purchased one or if you require a new one the deadline for ordering leotards is Sunday 24th March. There is also the opportunity to purchase optional kit – Hoodie's and Polo's – the deadline for ordering this optional kit is Sunday 7th April. All kit can be ordered through the NETTC website shop, size charts can also be found on the NETTC website - <http://www.nettc.org.uk/shop/>. For any further information please email squad@nettc.org.uk.

Non-Participation

British Gymnastics has implemented a new policy and introduced fines of £25 per individual entry for gymnasts who then do not participate in a competition that they have been entered. It is essential that we are informed at the earliest opportunity of any gymnast who is unable to compete to avoid any fines, please email squad@nettc.org.uk. In the event that a gymnast does not compete and the region receives a fine, the gymnast may be liable to pay the fine.

Photography/Video Footage

With your consent, squad coaches/officials may take photos/video footage at squad sessions or at the competition. These may be used to promote the success of the region on our website, club social media accounts and in communications. All film and photos of children will be taken and published in line with BG's safeguarding policy.
