

BSGA 2021-22 Trampoline Series
North of England Regional Round
Pre-competition information v4

No late entries will be accepted however we will give participants/schools the opportunity to rectify the issues with entries we have already received. Any error made by the organisers will be rectified.

COVID precautions and structure

Due to the continued prevalence of COVID within the community we have taken the decision to change the structure of the competition. Rather than competing one category at a time we will compete all participants from the same school in the same group in an effort to reduce the number of contacts.

To ensure that every participant within a category is judged by the same panel we will keep all year 6 participants and younger on one panel and all year 7 and above participants will compete on the other panel.

Participants will not be allowed into the hall until the previous group has finished. Upon entry, there will be a timed warm up for each rotation, after which participants will compete their first and second routine without further warm up.

Results and medals will be distributed after the competition.

Spectators

By competing in rotations the number of spectators will be reduced. We are also requesting that no more than 2 adult spectators attend per competitor. All spectators will be asked to wear face masks.

Qualification to the zonal round

This year the BSGA trampoline organisers are permitting 5 individuals and 3 teams to qualify through per category. The zonal round will be held on 6th February in Salford (Salford Gymnastics Centre, Camp Street, M7 1ZT). This is a change from the original venue. As the competition for our region is past the original closing date set by the zonal organiser, we have been given a cut off of 5pm on Wednesday 19th January for all entries to be emailed to the zonal organiser. Please be aware this is already an extension – don't expect entries to be accepted beyond this cut off.

Timetable v1

Panel 1 - Year 7 and above

Chantry Middle School
Ashington Academy
Bede Academy
Bedlington Academy
Westfield School
St Benet Biscop Catholic Academy
Cramlington Learning Village
Duchess
