

**NETTC**  
**Regional Challenge Cup Championships & Club Cup Series Final**  
**2022-06-19 – Wansbeck Leisure Centre**

**Pre-competition Information v1**

Please find below the timetable and start list for the Regional Challenge Cup Championships & Club Cup Series Final. This competition is the final event in the series of competitions for club level competitors and out of age competitors in regional categories. It is responsibility of the club to ensure participants are aware whether their category qualifies or not.

There are currently insufficient judges submitted by clubs who have revalidated for the event to run. All entries are therefore provisional and may be rejected unless sufficient judges are supplied. As instructed on the entry form of the competition clubs must email the revalidation certificates of all submitted judges for them to be used.

In the majority of categories where qualification to the Inter-regional challenge cup is possible the top two participants, who have passed the range and conditioning routine, will qualify. Only one competitor qualifies from disabilities categories. DMT competitors must achieve a top two placing and the criteria published nationally by British Gymnastics [here](#). Please note that any information provided by the region regarding qualification is superseded by British Gymnastics nationally.

There are a number of competitors who qualified to this competition however have not yet passed the range and conditioning assessment. In order to progress to the inter-regional challenge final all competitors, other than disabilities, must pass the range and conditioning assessment. The panel will be available 12:30-2:30pm for those who have not yet passed the range and conditioning assessment.
